

Welcome to Kleinert Kutz Hand Care Center!

During your visit, you will be seen by one of our Kleinert Kutz Hand Specialists and one of our Hand Fellows. The Hand Fellows are General, Orthopedic or Plastic Surgeons who come to Kleinert Kutz for an additional year in hand and microsurgery training after they have completed medical school and residency. After the Fellow examines you, the Fellow and the Kleinert Kutz Hand Specialist discuss your hand concerns, and then the Kleinert Kutz Hand Specialist will come in for your full exam and discuss treatment options.

Below are some commonly used phone numbers that will be helpful to have for your follow-up care. Thank you for choosing Kleinert Kutz.
